## VISION

To be the service provider of choice for expats and local Singapore businesses by curating experiential business journeys from the get-go and be every client's trusted business advisor by building connections that go beyond borders.

## MISSION

To live by our motto of "Business Beyond Borders" – we want to bring overseas businesses and entrepreneurs into Singapore and Singapore businesses out of the country for global expansion.

## ABOUT FIRM

**We're in the business of starting businesses from the ground up.**

Driven by the struggles of being an expat, Paul Hype Page & Co. was born to empower and inspire foreign expats to take the leap into entrepreneurship and business, assimilating them into unfamiliar territories.

We have strong local presence in Asia Pacific – Singapore, Malaysia, Indonesia, Hong Kong, Japan, and Australia, with a cumulative experience of more than 20 years.

With a global clientele and networks, we are able to support every business end-to-end professional needs.

For Singapore companies, we are specialised in bringing your business beyond the Singapore borders through the Market Readiness Assistance (MRA) grant that offers up to S\$100,000 in funding per new market.

***Let's get to work.***
